

Survival Kits Contents List

Bit O Honey

Nuts (shelled peanuts work well, or a bag of nuts)

Puzzle Piece

Marble

Rubber Band

Sweet n Sour Candy

Paper Clip

Tea Bag (please use individually wrapped)

Your club provides all the contents; we will provide the pre-sewn bags. Please contact me with the amount of bags you will fill and I will get them right out to your club. We are asking that these be finished by August 15th so that I may pick them up and our group can add a small note. We will add your club's name to the backs of the notes, so please provide that information. We are hoping that each county will do 50 but please if your county can do more we would greatly appreciate it.
