

OPERATION: MILITARY KIDS
Partner Project APPLICATION – 2008

This application is for programs, events or activities held between October 1, 2007 and August 30, 2008. The Partner Project proposal is limited to 2-3 pages. The deadline for applying for the Partner Project is April 15, 2008.

SECTION ONE – Program Information

Organization Name: _____

Contact Person: _____

Street Address: _____

Town: _____ State: NH Zip Code: _____ County: _____

Phone: _____ Email: _____

Program Name: _____

SECTION TWO - Program, event or activity Questions

- 1) Describe your proposed program, event, or activity. Please include, but do not limit your response to site description, ages served (both military and non-military), activities, group size(s) and number of staff and/or volunteers.

- 2) What are the goals and strategies of the program, event, or activity?

3) What are the specific needs or characteristics of the children in your region or community and how will (does) your program, event, or activity meet those needs?

4) What organizations have you collaborated with in planning your program, event, or activity? Include any community members, businesses, clubs, or agencies that have assisted you.

5) How will the requested funds specifically allow you to build networks of support within your community and further support military youth?

6) Will this program, event, or activity utilize any or all parts of the Mobile Technology Lab? If so, explain how.

7) Is there any additional information that might help OMK appropriately consider this request?

SECTION THREE - Program, event or activity Budget and Explanation

The OMK Partner Project budget should be itemized and reflect the total estimated cost of the program, event or activity. Each cost listed in the amount column must be accompanied by a description of the expense in the budget explanation column.

Program implementation costs not covered by the Partner Project must be outlined as well. Please list other sources of funding or donations.

Amount	Budget Explanation
