

## Barry Conservation 4-H Camp

### 2012 Program Schedule

#### 4-H on the Wild Side I

July 15 - 20  
Ages 10 - 14  
Cost \$475

In America's technology-based culture, the gap between youth and nature is growing. Experience nature and reunite with the great outdoors. Create a meal from gathered plants, fillet a fish and cook it over an open fire, sleep under the stars, climb a mountain, swim in a pond, create nature crafts, and more. Truly experience the great outdoors. Campers will also have a chance to enjoy a host of traditional camp activities like campfires, hikes, outdoor games, archery, and more. Sounds like fun!

*The University of New Hampshire Cooperative Extension is an equal opportunity educator and employer.
