New Hampshire 4-H Shooting Sports LEADER TRAINING

May 16 - 17, 2009
Barry Conservation Camp
Berlin, NH

UNIVERSITY of NEW HAMPSHIRE
COOPERATIVE EXTENSION

Shooting Sports is an active program, attractive to both youth and adults. The curriculum is designed to assist young people in personal development, establish a personal environmental ethic, and explore life-long vocational and leisure activities.

The New Hampshire 4-H Shooting Sports Program will host a workshop to certify volunteer leaders in either **archery, black powder, pistol, rifle, shotgun, advanced shotgun or wildlife & hunting**. Minimum enrollments are required in order to offer each discipline. Once enrolled as 4-H volunteers, adults will be certified to teach one specific discipline to youth participating in a formal 4-H Shooting Sports Program. All NH 4-H volunteers must complete an orientation with their local county Extension Office before being officially enrolled and it is recommended that volunteers do this before attending this training.

WHEN:

- ✓Friday, May 15
optional early arrival
- ✓Saturday, May 16
9:00 a.m. start - workshops all day
- ✓Sunday, May 17
8:00 a.m. - 3:00 p.m.

WHERE: Barry Conservation Camp in Berlin. A map and directions will be sent with confirmation.

WHO: This training is for current 4-H volunteers as well as those who wish to become involved in the 4-H program. Shooting experience is not essential, but a willingness to learn about how to work effectively with youth is. Teen leaders 16 and older are welcome. Certified teen leaders must work under the direct supervision of a certified adult instructor. Folks from other states are invited to attend.

TRAINING: All sessions will be conducted in the 4-H way - "learn by doing." Lessons will include approximately 12 hours in the disciplines and 6 hours on youth development.

COST: The registration fee is \$35 for NH volunteers and \$50 for leaders from other states. This includes food, lodging, and materials. We have received generous support for this training from the 4-H Foundation of New Hampshire, the NH Wild Turkey Federation, and Federal Cartridge. Additional scholarships may be available from county 4-H foundations.

REGISTRATION: The attached registration form and full payment must be received by May 4. Be sure to let us know if you'll need special accommodations to participate. Please note that deposits are not refundable if cancellation is made after May 4.
