

4-H Horse Curriculum Committee
Actions Taken ___November 16___ 2004_

Topic	Action	Next Step	Who assigned	Date target
Policy for substitute animals?	Reviewed this policy – asked that the words “or lease” be added to the section about horses. Question was raised about the ability to replace an animal AND still go to the state show?	Lisa will update the document.	Lisa	12/04
Colorado & driving book review	Reviewed the final version of the Colorado Horse Project Manual. This is now posted on the web page and available from UNHCE publications. The only chapter that has changed drastically is the nutrition chapter – so this is the one everyone should have an updated version of.	Let members and coaches know what chapter to download to replace old version.	Lisa – will email educators to let folks know the new version is available and which chapter to update.	1/05
Approval forms	Reviewed – the new (2005) version is fine.	Post to web.	Lisa	Done – 12/05
Driving Manual	Reviewed and wondered whether this should become a reference for state show quiz? It is currently posted/linked on the web page.	Jay Putnam & Peggy Sue Greenwood will review this more and make recommendation.		2/05 – at Horse Advisory Meeting
