ALLY'S RESPONSIBILITIES AND AGREEMENT CONTRACT

A Partner/Ally is a non-controlling adult mentor who provides advice and guidance. Each adult partner needs to understand his or her responsibilities are limited. A Venture is youth led and youth created, yet

an adult partner is a necessity throughout the process in order to help the sustainability of the project. Please note that while you, the partner, are to list your roles and responsibilities within the project, your involvement should not overshadow the youth's participation in leading the project. **If there are more than 5 Youth members, a 2nd ally is strongly recommended.**
