Hero Pack Project

Thank you for your interest in doing a Hero Pack project. Hero Packs are a great way to give military kids a tangible expression of support.

The Hero Pack project is a chance for groups of youth and adults to work together and become involved in a valuable community service effort. Please consider inviting other groups and businesses to join you in this effort. Keep in mind, you are helping build awareness and fostering community support for military kids dispersed throughout the State.

These guidelines are meant to outline the basic requirements for Hero Pack contents, and examples are meant only as suggestions...be creative!

Unless otherwise stated, you must purchase the contents or get donations. The contents in all Hero Packs do not need to be exactly the same, as long as each pack includes the “Minimum Required Contents” as outlined on the next two pages. The minimum required content categories include: Handwritten Appreciation Letters, Fun Items, Connection/Communication Tools and OMK Partner Information for Parents (Parent Packet).

If you have any questions about completing your Hero Pack project, please contact the OMK office:
