access, or other accommodation requests, including the
ability to pay, please contact Amy Ouellette at
603-796-2151 or amy.ouellette@unh.edu.

Ten working days are needed to facilitate special
needs requests.

ABOUT THIS WORKSHOP

Soil management is the foundation of
organic farming. In this workshop, learn
about new ways to evaluate what's going
on in your soil, and new ways to think about
managing soil organic matter, and the role
of soil management in preventing crop
diseases.

**1 Pesticide Applicator Training
Credit Available**

New Hampshire Risk Management Education programs are
a collaborative effort of the University of New Hampshire
Cooperative Extension, New Hampshire Department
of Agriculture, Markets and Food, USDA Farm Service
Agency, USDA Risk Management Agency, NOFA New
Hampshire and private crop insurance agencies.

*The University of New Hampshire Cooperative Extension is an
equal opportunity educator and employer. University of New
Hampshire, U.S. Department of Agriculture and
N.H. counties cooperating.*
