## KEYNOTE- SPEAKERS

Paul and Sandy Arnold have been farming for 20 years at Pleasant Valley Farm in Argyle, NY. The Arnolds have practiced season extension/ winter growing since 1992, and have recently been growing greens on energy-efficient radiant-heated benches all winter. They sell organic greens and produce from their root cellar at farmers' markets and restaurants year-round.

## DIRECTIONS

**From I-93 North or South:**  
Take exit 26 and at the bottom of the ramp take your first right. This right is easy to miss – look for a sign directing you to Rt.3. Almost immediately you will be at a stop sign. Take a right at the stop sign onto Rt 3 heading South. We are on the left, 2/10 mile from the stop sign.

**From the west via Rte. 25**  
At the traffic circle offering options of heading East on 25 or continuing onto 3A, go East on 25. You will pass a Hannaford Super Market on your Right and a Dunkin Donuts on your Left. The first Right you come to after Hannaford will be exit for Rt.3 and 25/Main Street. Take this exit – it is last exit before I-93. You will come to a stop sign and you will see us straight across the road.

**2 PESTICIDE  
CREDITS  
AVAILABLE**
