

Starting a Vegetable Garden

**Thursday, March 8th
6 to 8 pm
Gilman Library
100 Main St. Alton, NH**

Grow your own vegetables this season with success! Kelly McAdam, Agriculture Educator, will discuss how to prepare your garden, good vegetable varieties for Belknap County, managing pests, fertilizer sources, and ideas for growing in small spaces including container gardening.

Pre-registration is not required but appreciated to ensure an adequate supply of handouts. For more information or to pre-register, call (603) 527-5475.

The University of New Hampshire Cooperative Extension is an equal opportunity educator and employer. UNH, U.S. Dept. of Agriculture and New Hampshire counties cooperating.
