

HOME FRUIT PRUNING DEMONSTRATION

A WORKSHOP BY BELKNAP COUNTY
COOPERATIVE EXTENSION

Learn how to prune apples and other fruit trees,
blueberry bushes and raspberries.

Bill Lord from Belknap County Cooperative Extension will do the pruning and
field your questions on any aspect of growing fruit.

Varieties that do well here
Dwarf trees for home gardens
Pollination

Pest management

We will also discuss orchard and small fruit pest control and fertility
management.

Saturday, March 20, 2010
9:30AM to Noon
Surowiec Farm
53 Perley Hill Road, Sanbornton, NH

Directions: Surowiec Orchard is located at 53 Perley Hill Road in Sanbornton. From route 93, take exit
22. Go NORTH on Route 127. Take first right off Route 127 which is Perley Hill Road. Farm is on the left
about one-half mile up the hill, nearly to the top.

Be sure to wear warm boots, a winter jacket, hat and mittens, since this
workshop will be held during a cold winter morning. For more information or
if you require special accommodations to participate, contact the Belknap
County Cooperative Extension office at 527-5475.
