ServSafe® is a nationally recognized food safety certification program of the National Restaurant Association Educational Foundation (NRAEF). This one-day training provides participants with the latest science-based information on safe food handling and best practices in the foodservice industry. Participants passing the exam with a grade of 75% or higher will receive ServSafe® Food Safety Certification from the National Restaurant Association Educational Foundation. Certification is valid for five years.

Registration Form for October 20, 2009 at Carroll County Administration Building
