

Everything You Need to Know About

Growing Blueberries

DATE:

Wednesday, February 29, 2012

TIME:

1:00pm – 3:00pm

LOCATION:

Conference Room
UNH Cooperative Extension Office
Grafton County Complex
3855 Dartmouth College Highway
North Haverhill, NH 03774

COST:

Free

TO REGISTER:

For more information or to register please contact Pam Gilbert at the Grafton County Conservation District at (603) 353-4652 ext. 103 or Pamela.gilbert@nh.nacdnet.net

Co-hosted by the Grafton County Conservation District, Natural Resources Conservation Service, and UNH Cooperative Extension, this workshop will provide new producers with the information needed to grow blueberries; soil testing, soil amendments, site selection, variety selection, pruning, mulching, and irrigation. Seasoned producers will benefit from an update on NRCS's bird netting program.
