Goffstown Court is now located here at the Hillsborough County Complex, on the second floor, southeast wing of the Bouchard Building. As you might expect, both for the protection of the public and employees in the building, the Bouchard Building is now considered a “secure” facility. When you visit Cooperative Extension or any of the offices located in the building between 8 am and 4 pm or attend a night meeting, you will be greeted in the lobby by a Sheriff's Bailiff. You will be asked to remove any metal objects from your person, they will inspect any bags you bring into the building, and you will then walk through a metal detector. If metal objects are detected, a “wand” will be used to help locate the objects(s). The equipment is sensitive and will detect jewelry, coins, metal zippers, etc. The process is similar to airport security. Please, do not bring jack knives, leatherman tools, etc.

From the North and South: Take Route I-93 to I-293 to the exit for Route 101 West. Go to the large set of lights in Bedford (101 turns left), go straight toward Goffstown. You are now on Route 114.

From the East and West: Take Route 101 to the large intersection with Route 114 in Bedford. Take Rt. 114 West toward Goffstown.

All Directions: From Routes 101/114 intersection (near Bedford Fire/Police Station and the Farm Credit Office), take Route 114 West through three (3) sets of lights. Turn west (left) at the next set of lights (4th set) on Route 114 West. Travel about 1/4 mile and look for the Hillsborough County Complex. Take a right into the first driveway and park to the left or right. If you go past the Women's State Prison, you have gone too far.
