JC Penney Afterschool Grant Funding for *Plan B* and *Wapack Robotics 4-H Clubs*

Two Hillsborough County 4-H clubs received grants from the JCPenney Afterschool Fund to compete in the FIRST Robotics program. *Plan B 4-H Club* in Greenfield and *Wapack Youth Robotics 4-H Club* in Peterborough received grants to assist them in this year's FIRST robotics NH regional competition held in Manchester at the Verizon Wireless Center. Both teams are excited about the opportunity to learn new skills and then apply those skills during the season.
