

# 4-H Events and Opportunities Overview

Now that you are a 4-H member, you can experience all that 4-H in Merrimack County can offer you. Our 4-H year normally begins after the Hopkinton State Fair in September, with clubs starting up by holding their first meeting with an Achievement Night.

Below are listings of each event or opportunity held each month. If you wish to have further information regarding participation, awards and recognition, speak with your organization leader, or feel free to call the 4-H office at 796-2151. You can also check our county website at:

<http://extension.unh.edu/Counties/Merrimack/Merrimack.htm> to gain more information.
