

## **“Getting Ready to Sell at a Farmers Market” The Same Workshop in Four (4) Different Locations**

The University of New Hampshire Cooperative Extension, Rockingham County, will be offering a 2 hour workshop for growers who are currently selling or are considering selling at farmers markets. The same workshop will be offered four times in four different locations and at different times across Rockingham County. Agricultural Resources Extension Educator Nada Haddad will cover how to get ready for farmers markets, product quality, how to display farm products, merchandising, safety, customer service and the dos and don'ts at the market.

### **Where and When?**
