

Backyard Maple Sugaring How to Make Your Own Maple Syrup!

Saturday, February 5, 2011
at 10:30 AM
NH Farm & Forest Expo
Radisson Hotel, Manchester, NH

The sap will be running soon! Have you thought about making your own maple syrup? Do you want to know what is needed?

Attend this workshop if you want to learn the steps, from the tree to the table plus the equipment needed. This special workshop is geared to first-timers and beginner maplers having less than 75 taps. All aspects of maple sugaring will be covered, including tree identification and tapping, collecting and boiling sap, finishing, filtering and packing syrup. Equipment and supplies needed, especially sizing and operating small evaporators, homemade and commercial, will also be discussed.

For more information contact the Cheshire County UNH Cooperative Extension office at 352-4550 or email: steven.roberge@unh.edu .
