

# Field Trip 101: You *Can* Lead a Guided Walk!

**Thursday July 21, 10 a.m. - 2 p.m.**  
**Concord Conservation Center**  
(54 Portsmouth Street, Concord, NH)

**T**his fun, interactive workshop for natural resource volunteers will cover the basics of planning and delivering a field trip. Emphasis will be on leading walks on local conservation parcels, but landowners interested in leading walks on their own land are also encouraged to attend.

**P**articipants in this free training should be willing to commit to leading at least one outdoor event in the subsequent 6 months. You can do it! It's easy, it's fun, and we promise you'll feel prepared after this workshop!

**W**ho should attend? Any new or existing natural resource volunteers, including Coverts Cooperators, Forest Society Land Stewards, Audubon Society Sanctuaries volunteers, Natural Resource Stewards, trails groups, Conservation Commissioners, local land trust volunteers, and other community volunteers.

**S**ponsors and Instructors:

**UNH Cooperative Extension NH Coverts Project:** Malin Clyde & Emma Carcagno

**Society for the Protection of NH Forests:** Carrie Deegan & Dave Anderson
