

## Lempster Conservation Commission

### Field Day Gathering at Mary and Jim Grenier's Conservation Easement Property at 209 Benway Hill Road Lempster, New Hampshire

The gathering will be on Saturday, September 24, 10:00 am-12:00 pm; rain date will be on Sunday, September 25 at the same time.

Join us as we stroll along the edges of field/tree line managed acres.

- The Grenier farm sets on 195 acres of hilltop conservation easement land.
- Jim Grenier will address sustainable conservation practices on farmland.
- Jim will also speak on how farming practices can support wildlife; including fruit/ nut trees, hay cutting and the importance of margins between forest and field land.
- Other topics will be methods of controlling water pollution from hayfields and farm animals.

Light refreshments will be available at the end of the gathering.
