The Strafford Rivers Conservancy and UNH Cooperative Extension are offering an informative land conservation workshop to landowners and families. Anna Boudreau, Executive Director of the Strafford Rivers Conservancy, will discuss the work her organization is doing to conserve land in the greater Strafford County area. Phil Auger, a Land and Water Conservation Educator with UNH Cooperative Extension, will provide detailed information on a variety of permanent options with an emphasis on conservation easements.

The presentation will also include information on new conservation related income tax benefits and Federal Estate Tax, as well as news on state and federal programs that provide funding for conservation projects.

Directions:

From the South (Newmarket/Exeter):
Take Route 108 into Dover. Turn LEFT at the traffic lights in front of Burger King, onto Locust Street. Follow Locust Street through a set of traffic lights to the bottom of the hill. The Library is on the LEFT.

From Portsmouth:
Take the Spaulding Turnpike to Exit 8E. Follow Silver Street to a second set of lights. Turn LEFT onto Locust Street. Follow Locust Street to the bottom of the hill. The Library is on the LEFT.

From the West:
Take Routes 4 or 125 to the Lee Traffic Circle. Then take Route 4 East. Take the first exit to Route 155. Turn left on Route 155 toward Dover. Follow Route 155 through the traffic lights, over the turnpike, then Follow Silver Street to a third set of lights. Turn LEFT onto Locust Street. Follow Locust Street to the bottom of the hill. The Library is on the LEFT.

From the North:
