

DO YOU RECOGNIZE IMPORTANT WILDLIFE HABITAT WHEN YOU SEE IT?

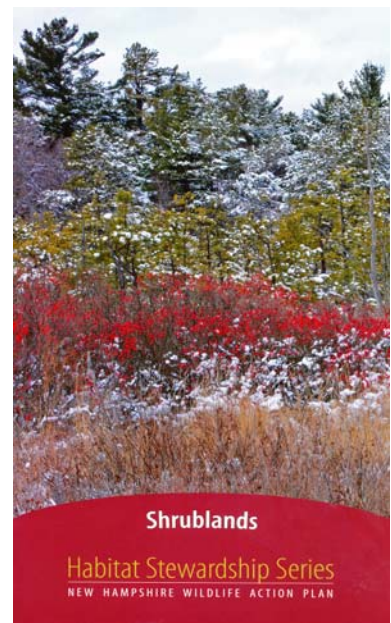

Habitat Stewardship Brochures: These colorful brochures include practical information for landowners. Pictures and text explain how to identify habitat types, describe the major threats to the health of those habitats, and offer information about wildlife species that depend on each habitat. The brochures also provide specific management recommendations for landowners interested in helping to conserve the wildlife that depend on each critical habitat type.

How can I get a copy of these brochures?

Download brochures at www.nhwoods.org or
