Backyard Maple Sugaring How to Make Your own Maple Syrup

**Wednesday, February 10, 2010
6:00-8:00 PM**

**Meredith Community Center
One Circle Drive, Meredith, NH**

Co-Sponsored by the Meredith Conservation Commission

Directions: On Route 3/ Route 25 (Daniel Webster Highway). ½ mile north of the junction of Route 3 and Route 25 in downtown Meredith.

The sap will be running soon! Have you thought about making your own maple syrup? Do you want to know what is needed?

Attend this workshop if you want to learn the steps, from the tree to the table plus the equipment needed. This special workshop is geared to first-timers and beginner maplers having less than 75 taps. All aspects of maple sugaring will be covered, including tree identification, tapping, collecting, boiling sap, finishing, filtering and packing syrup. Equipment and supplies needed, especially sizing and operating small evaporators, homemade and commercial, will also be discussed.

**Presenters: Andy Fast, Forest Resources Educator, Belknap County
 Steve Roberge, Forest Resources Educator, Cheshire County**

This workshop is **FREE**, but registration is required. Please call the Belknap County Cooperative Extension office before February 5th, at 527-5475 to register.

UNH Cooperative Extension programs and policies are consistent with pertinent Federal and State laws and regulations and prohibits discrimination in all its programs, activities and employment on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sex, sexual orientation, veteran's marital or family status.
