

# Enhancing Forest Habitat

August 19th 2-5pm

Improving Existing Forest

Andorra Forest

Habitat with Thoughtful Management

Stoddard, NH

Join Steve Roberge, UNH Cooperative Extension Forest Resources Educator for Cheshire County, for a walk through Andorra Forest. We will be joined by Paul Crosby, Property Manager of Andorra Forest, to discuss their wildlife habitat management techniques.

Andorra Forest is 11,000 acres and spans five towns including Stoddard, Marlow, Gilsum, Sullivan, and Washington. We will also discuss funding opportunities through the 2008 Farm Bill for habitat improvement on your property.

To Register or for More Information contact the Cheshire County Conservation District at 756-2988 ext.116 or [Amanda.costello@nh.nacdnet.net](mailto:Amanda.costello@nh.nacdnet.net) Note: Be prepared to be outdoors part of the day regardless of weather. If you have special needs in order to participate in this program please contact us.
