

NEW HAMPSHIRE

CURRENT USE TAX RULES

INFORMATIONAL WORKSHOP

Rural landowners of 10 or more acres can enroll their property in the state "CURRENT USE" program and lower their property taxes. However, property enrolled in Current Use has restrictions on its future use.

These free workshops, sponsored and conducted by UNH Cooperative Extension, will explain Current Use assessment and the different aspects of the program to help you decide if it is right for you. We will also provide an update on any changes to the Current Use program. If your land is already in Current Use, this will be a good review of the regulations.
