

The Sign of Good Forestry

1. Erect sign on Tree Farm property.
2. Erect on roadside at right-of-way line.
3. For better visibility, place two signs on post, back to back, at right angle to highway.
4. Sign should be straight and post tamped firmly.
5. Clean brush, weeds, and trash from base of sign.
6. Recommend: sign NOT be nailed to fence, tree or side of building.
