NH's Natural Resources Volunteer Program

(Core training for Community Tree Stewards, Earth Team and
Wonders of Wildlife Volunteers)

NH's Natural Resources Volunteer Program provides participants with a fundamental natural resources education to help New Hampshire communities care for their land, water, trees, and wildlife and to enhance quality of life for residents. The program is a cooperative effort of UNH Cooperative Extension, NH Division of Forests and Lands, USDA Forest Service, NH Fish and Game USDA Natural Resources Conservation Service and Conservation Districts.
