Raffle Baskets – Counties and Campus Units

The tradition continues! We are asking each county and campus unit to donate a unique basket of items to be won by a lucky staff member at the Annual Extension Conference on Monday, May 19. In addition to wonderful workshops, terrific tours, the recognition of award-winning staff, good food and fun, another highlight of the Annual Conference will be FABULOUS door prizes.

Your county office or campus unit is asked to prepare a basket consisting of items made or donated by staff. Ideally each program area/staff member will be represented. When possible we encourage items that depict something about your group or locale.

The guidelines are simple: baskets should weigh no more than 20 lbs. and moderation is encouraged! It's a volunteer effort, participation is not required and you don't have to contribute a basket to win a basket.

Bring your county/office basket to the Granite State Room on the morning of the conference, labeled to indicate which county or campus unit donated it. The baskets will be displayed throughout the day. It's a chance to showcase your county, your programs and your team.

If you have any questions please call Darrel at 862-3397. Thank you.
