

**PUBLICATIONS AVAILABLE FROM THE
UNH COOPERATIVE EXTENSION
FORESTRY INFORMATION CENTER**

The following publications are available through the UNH Cooperative Extension Forestry Information Center. If you are interested in receiving any, please check them off and return the list to: Forestry Information Center, 211 Nesmith Hall, 131 Main Street Durham, NH 03824-3597. Please be sure to include your name and address at the bottom of this list for prompt mailing. **For cost items make check payable to: UNHCE**

Forest and Wildlife Management

- Owning A Piece of the Forest: A Primer for Current and Prospective NH Landowners
- Good Forestry in the Granite State: Recommended Voluntary Management Practices for NH **\$25.00**
- Forest Resource Management: A Landowner's Guide to Getting Started **\$12.00**
- Forest Regeneration Handbook
- Timber Harvesting and Silviculture
- A Landowner's Guide to Building Forest Access Roads **\$8.00**
- Crop Tree Management in Eastern Hardwoods
- Firewood: Our Renewable Resource
- Weeding Young Forests
- Thinning Young Forest Stands
- Pruning Guide for Pine and Hardwood Trees
- Woodlot Boundary Line Marking
- Forests and People - An Overview of Forest Management
- Silvicultural Principles for New England Forest Types
- Diameter Limit Cutting & Silviculture in Northeastern Forests
- Chainsaw Safety
- Guidelines for Applying Group Selection Harvesting
- An Introduction to Forest Certification **\$1.50**
- A Landowner's Guide to Inventorying and Monitoring Wildlife in New Hampshire **\$10.00**
- Knowing Your Woods: Wildlife Habitat and Tree Species
- Wildlife Habitat Improvements: Woodlands and Wildlife
- Wildlife Habitat Improvements: Wetlands and Wildlife
- Wildlife Habitat Improvements: Farmlands and Wildlife
- New Hampshire's Native Trees, Shrubs and Vines with Wildlife Value
- Care of Wild Apple Trees
- Bird Feeding Basics
- More Harm Than Good: Feeding Deer
- Protecting and Enhancing Shorelands for Wildlife
- Habitat Stewardship Series: Floodplain Forests
- Habitat Stewardship Series: Grasslands
- Habitat Stewardship Series: Vernal Pools
- Habitat Stewardship Series: Marsh & Shrub Wetlands

Land Protection

- Conserving Your Land: Options for NH Landowners **\$4.00**
- Conservation Options for Private Landowners

Biodiversity

- Biodiversity of New England Woodlot Series
- Guide to Invasive Plant Species in NH
- Threatened and Endangered Plants and Animals in NH's Forested Habitats
- Natural Communities of New Hampshire **\$20.00**

Selling Timber

- Selecting a Forester (includes Timber Sale Guidelines; How is Timber Sold; State Laws)
- Listing of Licensed Foresters (**please circle county** B C CH CO G H M R ST S or State)
- Selecting a Professional Logger
- Directory of NH Certified Loggers & Forest Product Truckers
- NH Directory of Sawmills and Lumber Wholesalers
- Developing a Custom Portable Sawmill Enterprise **\$7.00**

- _ NH Forest Market Report
- _ Timber Tax Questions Frequently Asked About Timber Salvage Cutting Operations
- _ New Hampshire Timber Tax Law
- _ Federal Income Tax on Timber
- _ Tax Tips for Forest Landowners
- _ Timber Sale Agreement (Sample)
- _ Best Management Practices for Forestry: Protecting New Hampshire's Water Quality **\$6.00**
- _ Forest Products Road Manual: A Handbook for Municipal Officials and The Forest Product Industry **\$2.00**
- _ Guide to NH Timber Harvesting Laws **\$5.00**
- _ Timber Trespass fact sheet (RSA 227-J:8)
- _ Basal Area Law fact sheet (RSA 227-J:9)
- _ Slash Law fact sheet (RSA 227-J:10)
- _ Deceptive Forestry Business Practices fact sheet (RSA 227-J:15)
- _ NH Best Log Scaling Practices Guide

Current Use

- _ Forest Stewardship and Current Use: A Primer
- _ Overview of Current Use Assessment RSA 79-A
- _ State of NH Current Use Criteria Booklet

Individual Tree Care

- _ How to Select an Arborist
- _ A List of Certified Arborists
- _ How to Prune Trees
- _ Pruning Evergreens in the Home Landscape
- _ Pruning Shade Trees in the Home Landscape
- _ Pruning Deciduous Shrubs in the Home Landscape
- _ How to Recognize Hazardous Defects in Trees
- _ Helping Trees Recover From Stress
- _ A First Look at Tree Decay
- _ Trees and Shrubs in NH: A Guidebook for Natural Beauty Projects
- _ Planting Trees in Designed & Built Community Landscapes - Checklist for Success
- _ Steps to Follow When Planting Trees and Shrubs
- _ Caring for Young Trees from Nurseries to Landscapes
- _ Fertilizing Trees & Shrubs
- _ The Residential Woodlot
- _ Caring for Trees When Building on Wooded Lots

Informational Brochures

- _ List of Forestry and Wildlife Program Extension Staff
- _ Backyard Tree Farm
- _ Caring for Your Land
- _ Landowner Assistance Cost-Share Programs
- _ Manchester: A City of Trees
- _ New Hampshire Christmas Trees: A Growing Tradition
- _ NH Coverts Program
- _ NH Fire Lookout Tower
- _ NH's Living Legacy: The Biodiversity of the Granite State
- _ NH Maple by Mail
- _ New Hampshire Tree Farm Program
- _ Picture Your Forest
- _ These Maple Sugar Houses Welcome Visitors
- _ To Build a Bridge

Information About New Hampshire's Forests

- _ State of New Hampshire's Forests: Executive Summary
- _ State of New Hampshire's Forests: an interim status report of the state forest resources plan
- _ The Granite State's Forests: Trends in the Resource
- _ Discover the Forests of New Hampshire

Christmas Trees

- _ The State Forest Nursery Catalogue
- _ Planting and Care of Tree Seedlings
- _ Pruning and Shearing Christmas Trees
- _ Establishing the Christmas Tree Plantation
- _ New England Guide to Chemical Weed & Brush Control in Christmas Trees

Fire Protection

- _ How to Protect Your Home (Northeastern Forest Fire Protection Commission)
- _ Wildland Fire! Measuring the Fire Risk of Your Home
- _ It's The Law: Fire Permits Required

Wildlife Profiles

- | | | |
|---------------------|--------------------|---------------------|
| _ American Woodcock | _ Fisher | _ Snowshoe Hare |
| _ Beaver | _ Indiana Bat | _ Wild Turkey |
| _ Black Bear | _ Little Brown Bat | _ White-tailed Deer |
| _ Coyote | _ Moose | |

Wildlife Damage Information

- | | | |
|--------------------------|-----------------|---|
| _ Bats | _ Moles | _ Skunks |
| _ Beavers | _ Moose | _ Tree Squirrels |
| _ Black Bear | _ Porcupine | _ White-tailed deer |
| _ Canada Goose | _ Rabies | _ Woodchuck |
| _ Chipmunks | _ Raccoon | _ Controlling Birds in Aquaculture Facilities |
| _ Coyote | _ Red Squirrels | _ Controlling Birds Around Farm Buildings |
| _ Geese, Ducks and Swans | _ Snakes | _ Controlling Birds on Fruit Crops |

Storm Damage

- _ Tree Biology and Ice Storm '98
- _ Pruning Storm Damaged Trees
- _ Large Tree Pruning and Care
- _ Storm Damage Clean-Up
- _ Ice Resistant Trees
- _ Harvesting Ice-Damaged Timber (Forest Service fact sheet # 9)
- _ Helping Trees Recover from the Ice Storm (Forest Service fact sheet # 8)
- _ Using NED/Stand Inventory, Processor, and Simulator.... (Forest Service fact sheet # 6)
- _ Lucky Break for Wildlife (Forest Service fact sheet #5)
- _ Silvicultural Approaches for Managing Ice-Damaged Stands (Forest Service fact sheet # 4)
- _ Will Winter Storm Injury Affect Hardwood Quality & Maple Sap Production (Forest Service fact sheet # 2)
- _ How to Determine Percent Live Crown Loss in Hardwoods Before Leaf-Out (Forest Service fact sheet # 1)
- _ Advice for Operators of Sugarbushes Damaged by the January '98 Ice Storm
- _ The 1998 Ice Storm and Casualty Loss Deductions
- _ Disaster losses: Help from the IRS brochure
- _ A Guide to Life in Storm Damaged Trees
- _ Patterns of Storm Injury and Tree Response
- _ Trees and Ice Storms: The Development of Ice Storm-Resistant Urban Tree Populations
- _ Tree Survival and Growth Following Ice Storm Injury

Community Conservation Assistance

- _ Natural Resource Inventories: A Guide for NH Communities and Conservation Groups **\$18.00**
- _ Planning for the Future of Local Forests: A Guide for NH Towns Using Forestland Site Assessment (FLESA)

Natural Resource Network Professional Publications

Research reports and technical publications of interest to educators, resource professionals, landowners and the public.

- _ Biodiversity Principles and Applications Conference for Natural Resource Professional in NH
- _ Does Open Space Pay?
- _ Eligibility and Enrollment in NH's Current Use Taxation Program
- _ Exporting Hardwood Pulp Chips: Economic Impacts to New Hampshire
- _ Forest Measurements for Natural Resource Professionals Workshop, 2001

Publications Available from the UNH Cooperative Extension Forestry Information Center

- _ Forest Soil Site Selection Considerations for the Beneficial Application of Municipal Sludge and Wood Ash
- _ "Getting the Regeneration You Want" Workshop Proceedings 2000
- _ Managing White Pine in a New Millennium Workshop Proceedings 2003 **\$8.00**
- _ Manchester: A City of Trees
- _ Moving Towards Sustainable Forestry: Lessons from Old Growth Forests, Workshop Proceedings 2004 - **\$5.00**
- _ North Country Community Master Plans and the Forest Resource
- _ Northern Red Oak Regeneration: Biology and Silviculture
- _ Proceedings: Residual Stand Damage Workshop, 2001
- _ Proceedings for Tree Investment Workshop, 1999
- _ Using Fire to Control Invasive Plants: What's New, What Works in The Northeast? 2003 Workshop Proceedings
- _ The Wood Energy Challenge: Researching the Potential for New or Expanded Low Grade Wood Resource Markets in NH While Facing the Forest Damage Caused by the January, 1998 Ice Storm
- _ White Pine Blister Rust Infection Incidence for Selected Areas of New Hampshire

Tree and Forest Insects and Diseases

The material for the following includes all the insects or diseases relevant to our area. Please place a check in front of the species that interests you under insects, diseases or both.

- _ Silvicultural Options for Managing Hemlock Forests Threatened by Hemlock Woolly Adelgid

INSECTS

HARDWOOD

- _ Apple
- _ Ash
- _ Aspen
- _ Beech
- _ Birch
- _ Cherry
- _ Chestnut
- _ Elm
- _ Maple
- _ Oak

SOFTWOOD

- _ Christmas Tree species
- _ Eastern White Pine
- _ Firs
- _ Larch
- _ Red Pine
- _ Spruce
- _ Hemlock

- _ Biology and Control of Ticks in NH

DISEASES

HARDWOOD

- _ Apple
- _ Ash
- _ Aspen
- _ Beech
- _ Black Cherry
- _ Black Gum
- _ Black Walnut
- _ Butternut
- _ Dogwood
- _ Elm
- _ Hickory
- _ Oak

SOFTWOOD

- _ Christmas Tree Species
- _ Eastern White Pine
- _ Firs
- _ Red Pine
- _ Spruce
