

# Growing a Better Beer in the Granite State

*The University of New Hampshire Cooperative Extension is an equal opportunity educator and employer.*

*UNH, U.S. Dept. of Agriculture and New Hampshire counties cooperating.*

**2011 NH Farm & Forest Expo**  
Webster Room

Radisson Hotel  
Elm Street, Manchester NH

February 5, 2011  
9 am - 2 pm

This program is intended for farms who are looking to diversify into crops for NH's beer brewers and for the serious home brewer who wants to become even more involved with the brewing process. We will cover the basics for growing grains and hops that are used for making beer, and we'll provide input from professionals who can comment on what brewers are looking for and how people might be able to meet these opportunities.

#### **Introduction to Grain Production for Brewing**

*Dr. Heather Darby – University of Vermont Extension*

#### **Small Scale Malting**

*Christian and Andrea Stanley – Valley Malt, Hadley MA*

#### **Introduction to Growing Hops in New England**

*Dr. Heather Darby – University of Vermont Extension*

#### **Panel**

*What NH's Brewing Industry is Looking For: Challenges & Opportunities*

#### **Introduction to Classic Brewing Styles**

*Bill Metzger – Owner and Publisher, Great Lakes Brewing News*
