Resource Considerations	Site availability;* Bandwidth & equipment sign out for Non-GSDLN locations;	Development time. Moodle is free but has steep learning curve.	Script development time, use of special microphone, voice editing software	Phone calls; UNHCE has 10 licenses – see PL	Time, \$\$\$ - (pilot stage at UNH. May be free for UNHCE in future.)	Expensive to develop - digital video camera, editing software, time and expertise-intensive	Time to set up and maintain, successful blogs are updated regularly	Phone calls; UNHCE has 10 licenses – see PL	Captivate software - \$, time and expertise intensive	Design & development time	time to develop	Included in MS Word and Excel	Free using Google. (You need to get a FREE Google account.)	Free using Google and other services. Managers need a free GMAIL account	One site. Logistics: time, travel, parking, refreshments facilities, LCD, laptop, print handouts	Development, editing, printing, storage, distribution (mailing) publications
Additional Notes	*preferred max. of 6 sites; up to 10 per site			Contact PL or hotseat for license				Contact PL or hotseat for license
