

Keeping Your Credit in Check

OFFERED IN TWO LOCATIONS

Are you discouraged because your credit card balance never seems to get any smaller? Credit problems can be disastrous to one's financial health. Many people have no idea they have a potential credit problem until it becomes a crisis. Don't let that happen to you!

This workshop will give you strategies to help you manage credit and reduce your debt.

Please contact the Carroll County UNH Cooperative Extension office at 447-3834 if you need any special accommodations to attend this workshop.
