Event Speakers

Heather Darby

Heather, Agronomist with UVM has been conducting practical on-farm research about small grain production for many years. Her talk will highlight ones that can be grown in our location for both the food and livestock feed market.

Dan Hudson

Dan, UVM Extension covering the Vermont side of the Connecticut River. Here's his thoughts about a combined VT/NH effort to make your Corn: Nitrogen Fertilization system profitable: End of season Stalk Testing.

Gordon Jones

Gordon is a dairy farmer in Chichester, NH who has pasturing working well on his operation. This is how he does it now and his plans for the future.

Shantel Thomas

Shantel is with Yankee Farm Credit/Crop Growers Insurance. She will present ways to make crop insurance work for your farm.
