Do you own or know of forests, farms, or other lands that would be beneficial to maintain as permanent natural habitats? Explore various options with Phil Auger, Land Conservation Expert with UNH Cooperative Extension! You will hear detailed information on a variety of options including conservation easements, ways to save on your taxes through conservation, and government programs that provide funding for conservation projects!

Directions:

* From Interstate 91 (Sullivan County area):

Take I91 to Wells River, Rt. 302 North to Littleton, Rt. 116 North to Whitefield, and Rt. 3 North to Lancaster. The North Country Resource Center is a green building approximately 3 miles North of the town of Lancaster on the right.

* From Interstate 93 (Manchester area):

Take I93 North to Littleton, Rt. 116 North to Whitefield, and Rt. 3 North to Lancaster. The North Country Resource Center is a green building approximately 3 miles North of the town of Lancaster on the right.

* From the Seacoast, Durham, Conway:

Take the Spaulding Turnpike North to Rt. 16, Rt. 16 North to Glen, Rt. 302 (through Crawford Notch) North to Twin Mountain, Rt. 3 North to Lancaster. The North Country Resource Center is a green building approximately 3 miles North of the town of Lancaster on the right.

If you have accessibility needs please contact us at least two weeks in advance so we can do our best to accommodate you.
