

*Backyard Maple Syrup and Care of Storm  
Damaged Trees & Shrubs*

*Tuesday, January 24, 2012 6:00 PM*

*Milford Blue Seal Feeds*

*274 Elm Street*

*Milford, NH*

*This workshop is sponsored by Blue Seal Feeds of Milford and conducted by UNH Cooperative Extension County Foresters Steven Roberge and Jon Nute. They will explain backyard maple syrup and how to care for your storm damaged trees and shrubs. Education handouts will be distributed.*

*This class will be free but please register with Milford Blue Seal Feeds at 603-673-2601.*
