

Preserving Your Harvest - 2015

The Basics of Preserving Food Safely

Join us this summer for one of UNH Cooperative Extension's home food preservation workshops!

We'll cover the latest research-based methods and recipes, answer questions, and share experiences about these topics:

- an overview of preserving food safely at home
- jams and jellies
- pickling
- canning fruits and vegetables
- freezing and drying food

Registration Fee: \$5.00 per person, pay at the door
