CREATIVE Learning Workshop

Art, technology, music, stories, engineering and learning! The creative learning workshop is for educators interested in bringing creative technologies to your classroom and after-school programs.

What you will learn.

In the workshop you will create projects in Scratch*, build circuits using Makey-Makey* and learn about example projects. No experience necessary, only an open mind!

January 25th | 9am-1pm |
Monadnock Regional High School | 580 Old Homestead Hwy Swanzey, NH 03446 | Room 704

To Register: Log onto the Registry at https://nhportal.naccrraware.net/
