

**Ron Christie** is passionate about teaching people how to grow their own nutritious organic food for better health and well-being.

He is an avid four-season grower and loves sharing his experiences as a gardener and farmer.

Ron is the Master Gardener Coordinator in Rockingham County and a member of the UNH Cooperative Extension Education Center Team.

He runs Living Earth Farm, a certified organic vegetable and fruit micro-farm in Brookline, NH.

These workshops are sponsored by the UNH Cooperative Extension Education Center. Master Gardeners are encouraged to attend one or all of these workshops.

1 CEU is awarded for each workshop.

**These workshops are free of charge; however, you must register.**

We hope that you will Bring Your **Lunch and Learn** with Us!

Warmest Regards,  
Jeremy, Pam, Ron and Marcy
