

### The Best Plants for New Hampshire Gardens and Landscapes

*How to Choose Annuals, Perennials, Small  
Trees & Shrubs to Thrive in Your Garden*

A totally fresh publication which uses the concept of habitat gardening to help gardeners and landscapers choose and care for plants in our unique New Hampshire environment. The 96-page paperback book includes

- Lively, easy-to-read text and useful charts
- Pen and ink illustrations, and black & white photos of selected plants
- Sections on plant selection and care
- Specialty plant lists and an index for easy referencing

Written by University of New Hampshire Cooperative Extension Educators Cathy Neal and Margaret Hagen along with Leslie van Berkum of van Berkum Nurseries, this book is published by the New Hampshire Plant Growers' Association in cooperation with UNH Cooperative Extension.

The book may be purchased at retail garden centers throughout the state or from the UNH Cooperative Extension Publications Center.
