Presented in Lee and Concord, NH by the UNHCE Geospatial Outreach Program

ArcGIS Workshops Winter 2013

**ArcGIS Drivers Permit 10.1**
1-day, 9am to 4pm
January 17, 2013
Lee, NH

**Topics covered:**
ArcGIS 10.1
Exploring GIS maps
Basic GIS techniques

**Skill level: Fundamentals**
Learn GIS basics and how to use ArcGIS 10.1 in a hands-on learning environment! This course is useful for people who have no prior GIS experience or GIS users looking for basic ArcGIS 10.1 experience. Activities focus on using ArcGIS 10.1 to get information from GIS data layers, answer basic questions and manipulate attribute data.

**Participants will learn to:**
make basic maps, add data layers to maps, query data; manipulate attribute tables: add fields, calculate values; symbolize GIS data

$99

**Introduction to ArcGIS 10.1**
3-days, 9am to 4pm
March 26-28, 2013
Concord, NH

**Topics covered:**
ArcGIS 10
Creating GIS maps.1
GIS techniques
GIS data maintenance

**Skill level: Fundamentals**
Learn the ins and outs of working with ArcGIS 10.1 in a hands-on learning environment! This course is useful for people who have no prior GIS experience, as well as those new to ArcGIS 10.1. With a focus on New Hampshire data and applications, participants learn how to use ArcGIS 10.1 to produce effective maps, edit and create GIS data, as well as, conduct geospatial analysis.

**Participants will learn to:**
symbolize GIS data; add labels and annotation; query data; use geoprocessing tools, manipulate attribute tables; joining tables; import data into ArcGIS, design maps using layouts

$495 standard, $349 reduced

**SPACE IS LIMITED - PRE-REGISTRATION IS REQUIRED**

**Registration info:** Sharon at sharon.hughes@unh.edu or 603.862.1029

**Course content:** Shane at shane.bradt@unh.edu or 603.862.4277

**Register online:** http://gisworkshops.org ==> click on “Register Now!”

**Workshop locations:**
NH Fish & Game Dept., Concord, NH
NH Sea Grant Extension Offices, Lee, NH

Note: If you have special needs that need accommodation, please contact us 1 week in advance of the program date. UNHCE is an equal opportunity educator and employer. University of New Hampshire, U.S. Department of Agriculture, and NH counties collaborating.
