

*Presents*

## Horse Logging Workshop and Forest Management Demonstration

*When: September 29, 2017, 9 AM – 4 PM*

*Where: Cornish Fairgrounds, Cornish NH*

**JOIN** draft animal practitioners, forest landowners, foresters, loggers and others from across the northeast for this **informative workshop** on the application of draft animal power in modern timber harvesting and forest management.

Renowned forester and horse logger **Carl Russell of Bethel VT** will lead a one day workshop on **Friday, September 29** on managed woodlands owned by the Cornish Fair Association. The day will include demonstrations and discussions on:

- ***Planning the Harvest***
- ***Starting the Harvest***
- ***Working Animals in the Woods: Horses and Cattle***
- ***Timber Harvesting Equipment for Draft-Animals***

Interested teamsters are invited to contact workshop organizers to participate. In depth tours for forest landowners and foresters considering this approach to harvest and extraction of forest products. On **Saturday September 30**, tours will also be led by Carl through the woodlot as part of the Draft Animal-Power Field Days with over 25 other workshops and events.

**NH Licensed Foresters: 6 CFE SAF and NHLPF Credits Available**

**NH Certified Loggers: 8 CE Credits Available for NH Professional Loggers Program**

**Pre-Registration is required:** \$60 for Friday workshop includes entry to Draft Animal Power Field Days events on 9/30 and 10/1. Saturday 9/30 only is \$15. Lunch available.
