

# Effective Disease Management in Northeastern Vineyards

## Who Should Attend? Vineyard managers and Agricultural professionals

**Date:** January 10, 2018 (snow date January 17)

**Location:** Flag Hill Winery, Lee NH

**Time:** 8:00-8:30 Breakfast and registration; 8:30-3:30 Program.

**Registration:** \$100 (breakfast and lunch included).

**To register:** Call Flag Hill Winery at 603-659-2949 or email wine-info@flaghill.com. If you email, please make sure that you receive a confirmation email. **Registration deadline is January 5!**

Our **featured speaker** is **Dr. Wayne Wilcox**, whose applied research and outreach on **grapevine pathology** is internationally renowned. The workshop will provide an in-depth focus on **integrated management tactics** for the **major grape diseases** that affect growers in the Northeast. This will be a **practical workshop** focusing on disease biology, how it relates to **non-chemical approaches to disease management** in addition to spray timing, and the various fungicides used for the control of each, while avoiding resistance development. **Lively discussion will be encouraged.**

- 8:00 - 8:30 **Registration & Continental Breakfast**
- 8:30 - 9:00 **Photo ID Quiz: Identifying Diseases and Pests in the Vineyard -**  
Becky Sideman and George Hamilton, UNH Extension
- 9:00 - 10:30 **Biology and Control of Downy and Powdery Mildews -**  
Wayne Wilcox, Cornell University
- 10:30 - 10:45 Break
- 10:45 - 12:00 **Biology and Control of "The Rots": Black Rot, Sour Rot, and Botrytis -**  
Wayne Wilcox, Cornell University
- 12:00 - 1:00 **Lunch**
- 1:00 - 1:30 **Getting Good Coverage: Sprayer Choice and Calibration for Best Disease Management -**  
George Hamilton, UNH Extension
- 1:30 - 2:30 **Biology and Control of Phomopsis and Anthracnose; and Fungicide Characteristics and Resistance Management -**  
Wayne Wilcox, Cornell University
- 2:30 - 3:30 **Facilitated Panel Discussion: Fungicide Programs in Practice.**  
Steve Gatcombe, SBG Crop Services,  
Nick Bennion, Flag Hill Winery, and  
Peter Oldak, Jewell Towne Vineyard.
- 3:30 **Adjourn**

The NH Winery Association and UNH Extension are co-sponsoring this practical workshop on disease management in Northeastern vineyards.

**Pesticide credits:** Application pending
