Produce Safety Alliance

Grower Training

November 14, 2017

**Unitarian Universalist
Church**

274 Pleasant Street

Concord, NH

Registration is \$25 per person

**This session is limited to 35
people**

Registration is at 8:00 am, ses-
sion begins at 8:30 and runs
until 5:00 pm

We are pleased to announce an FDA recognized training for those farms that will be affected by Produce Safety Rule of FSMA. The training will be held November 14 at the Unitarian Universalist Church in Concord, NH. The training runs from 8 am to 5 pm. Growers needing a Certificate of Attendance will be able to receive this if they attend the full day's session.

Due to space limitations, attendance is limited to 35 people.

The PSA Grower Training Course is one way to satisfy the FSMA Produce Safety Rule requirement outlined in § 112.22(c) that requires 'At least one supervisor or responsible party for your farm must have successfully completed food safety training at least equivalent to that received under standardized curriculum recognized as adequate by the Food and Drug Administration.'

The course will provide a foundation of FSMA Produce Safety Rule requirements, and details on how to develop an optional farm food safety plan.

After attending the entire course, participants will be eligible to receive a certificate from the Association of Food and Drug Officials (AFDO) that verifies they have completed the training course. To receive an AFDO certificate, a participant must be present for the entire training and submit the appropriate paperwork to their trainer at the end of the course.

Lunch, a resource binder and certificate of attendance are included with registration (a \$120 value)

**Pre-registration is required by Wednesday,
November 1, 2017**
