SUPERINTENDENT: Elayne Gleason

We will start on time. Participants that are late may be allowed to participate in the next available judging class/contest component as available at the discretion of the superintendent. If unforeseen circumstances occur and you are going to be late, please call Mary Davis at (603) 312-0128. Registration begins at 9:00 AM at the farm, judging starts at 9:30 am.

Please be prepared to stay until the contest is complete (possibly as late as 5 pm). SCORING THIS CONTEST IS COMPLEX AND TIME CONSUMING. Participants are not required to stay for awards; we understand that you will be tired and may have a long distance to travel. Please let the contest superintendent or staff know if you are leaving, and be sure you have completed all your contest components.

This is a contest where participants use their knowledge of horse judging to place classes of halter and/or performance equines. Horse judging is a great preparation tool and competition for future judges and equine professionals.

A county may enter more than one 4-H reasons team and an unlimited amount of additional 4-H members provided all contestants have participated in a county 4-H preparation event and as space allows. The majority of competitors compete as individuals.

All members and coaches should recognize that this is a statewide educational competition and not a clinic. Junior and Intermediate (non-reasons) contestants may enter both Judging and Hippology contests.

ELIGIBILITY: **NOTE CHANGES in Junior and Intermediate divisions for 2017******

Junior & Intermediate Divisions: The Junior Division is open to 4-H members 8-10 years old on January 1 of the current year & The Intermediate Division is open to 4-H members 11-13 years old on January 1 who wish to participate in a Horse Judging experience. Juniors & Intermediates may also enter the Hippology Contest held in the afternoon (a separate entry is required).

Senior Division: The Senior Division is open to 4-H members 14-18 years old on January 1 of the current year. Seniors cannot compete in Horse Judging if they wish to compete in Hippology. Counties enter seniors as individuals or in three- or four-member teams and may send multiple teams. Individuals may be entered and will be placed on a team as space is available or will compete and be placed as individuals. Participants must not have competed in the National 4-H Horse Judging Contest or in any official collegiate level contest and may not have taken collegiate level courses above introductory level in the subjects involved. Note: NH FFA will be joining us for this contest. If you are entering as an FFA contestant, it may be possible to also be a 4-H contestant. Please check with Mary Davis for details.

STATE 4-H HORSE JUDGING TEAM CANDIDATES:

The top four Senior 4-H contestants in New Hampshire 4-H Horse Judging Contest will become the *tentative* New Hampshire 4-H Horse Judging Team (A Team) and the next four top scoring individuals become alternates (B Team). All will be offered further training in judging to prepare for the Regional Contest. Both the A and B Team (4 alternates) have the opportunity to compete at the New England Regional 4-H Horse Contest in October. Team members are not guaranteed a spot on the final team. Team members could be replaced if they do not satisfactorily attend practices and do assignments/homework. Final team selection will be made by coaches according to objective, written criteria approved by the State 4-H Office and announced and handed out to all of the tentative team and alternates at the first official practice held ASAP after the contest (within 3 weeks of final coach appointment). **The NH Horse Judging team(s) will attend the Regional Contest and may attend the Eastern National 4-H Horse Roundup. All youth qualifying for NH state teams may be asked to pay a portion of their trip expenses. Funding is uncertain for a Horse Judging team to attend the Eastern National 4-H Horse Roundup. The decision of which teams will attend ENHR will be determined by team rotation, team member qualification & participation and availability of a qualified coach.**

GUIDELINES FOR REASONS JUDGES

1. Use Comment Box for comments on why deductions were made.
2. Place deductions in the small scorebox next to a category using a - (minus) and then the amount.
3. The official's placing is irrelevant and should not affect the reasons score. Deductions are for inaccuracies in the content of their reasons.
4. The following National Rating Guide shall be considered when placing reasons:
 - Good to Excellent reasons: 46-50
 - Above Average to Good: 41-45
 - Average: 36-40
 - Below Average: 31-35
 - Poor: 30 and below

5. Any contestant who showed reasonable organization and completion should not score below 25.
6. Judges should always be polite, friendly and non-threatening in their postures and facial expressions.
7. Emphasis should always be placed on the positive when speaking to or listening to the contestant.
8. Verbal comments should not be given to the contestants, but comments should be written on the score sheet.
9. Only question the contestant when necessary to clarify a point.
10. No eating, drinking, smoking or gum chewing while listening to reasons as they may distract the contestant.
11. Judging reasons is incredibly subjective. Keep a running tally of the previous scores in order to adjust too harsh or too gentle deductions. Keep score sheets as long as possible to make sure you have not inadvertently judged to the extreme.
12. Keep in mind that this is a youth contest and your comments can bruise delicate egos. When making notations as to why the deduction was given, please be as tactful as possible. The contestants appreciate your time and effort and can learn a lot from your comments.

Revised 12/2018

For SENIOR Members Only
NH 4-H HORSE JUDGING TEAM INTENT FORM

Upon completion of the New Hampshire 4-H Horse Judging Contest, the four highest scoring Senior Reasons Division 4-H contestants (and four alternates), who have not previously competed in a national judging competition, will be eligible to receive further coaching in horse judging. These four contestants will be the tentative State 4-H Horse Judging Team that may represent New Hampshire in an October regional and November national competition.

The New Hampshire 4-H Horse Judging Team (and alternates) will work with the coach at periodic, pre-scheduled practices. The final team will be named by July 1 using objective selection criteria approved by the State 4-H Office and announced and handed out to all of the team candidates at the mandatory first official practice held before June 1. A calendar for all required practices will be determined at the first meeting and shared with all contestants.

As this opportunity requires a great deal of commitment, we ask that you consider this carefully and indicate now whether or not you are interested in pursuing a spot on the state team if selected. This doesn't yet commit you to a team, but simply indicates your interest.

All youth who qualify for NH State Teams may be asked to pay a portion of their trip expenses.

Please check one:

_____ I am only interested in participating in the New Hampshire 4-H Horse Judging Contest and do not want to qualify for the state team and go on to Louisville.

_____ I am interested in qualifying for the New Hampshire 4-H Horse Judging Team, which means participating in practices throughout the year and attending the regional and Eastern National contests.
