

**PUBLICATIONS AVAILABLE FROM THE
UNH COOPERATIVE EXTENSION
FORESTRY INFORMATION CENTER**

The following publications are a selection of materials available through the UNH Cooperative Extension Forestry Information Center. A complete list may be found at www.nhwoods.org

To order, please check off titles and return the list to: Forestry Information Center, 211 Nesmith Hall, 131 Main Street Durham, NH 03824-3597. Please be sure to include your name and address at the bottom of this list for prompt mailing.

For cost items make check payable to: UNHCE

Woodlot Management

- Good Forestry in the Granite State: Recommended Voluntary Management Practices for NH(2nd ed.)..\$25.00
- Owning A Piece of the Forest: A Primer for Current and Prospective NH Landowners
- Forest Resource Management: A Landowner's Guide to Getting Started.....\$12.00
- Forest Regeneration Handbook
- Timber Harvesting and Silviculture
- Crop Tree Management in Eastern Hardwoods
- Weeding Young Forests
- Thinning Young Forest Stands
- Pruning Guide for Pine and Hardwood Trees
- Improve Your Woodlot by Cutting Firewood
- Woodlot Boundary Line Marking
- Forests and People - An Overview of Forest Management
- Silvicultural Principles for New England Forest Types
- Diameter Limit Cutting & Silviculture in Northeastern Forests
- Guidelines for Applying Group Selection Harvesting
- Restoring Old Growth Characteristics
- High Grade Harvesting Understand the Impacts, Know Your Options
- Chainsaw Safety

Wildlife

Habitat Stewardship Series:

- | | |
|---|---|
| <input type="checkbox"/> Appalachian Oak-Pine Forests | <input type="checkbox"/> Marsh & Shrub Wetlands |
| <input type="checkbox"/> Floodplain Forests | <input type="checkbox"/> Northern Hardwood-Conifer Forest |
| <input type="checkbox"/> Grasslands | <input type="checkbox"/> Peatlands |
| <input type="checkbox"/> Headwater Streams | <input type="checkbox"/> Shorelines |
| <input type="checkbox"/> Hemlock-Hardwood-Pine Forest | <input type="checkbox"/> Shrublands |
| <input type="checkbox"/> Lowland Spruce-Fir Forests | <input type="checkbox"/> Vernal Pools |
- New England Cottontail Rabbits in New Hampshire
 - Black Racers in New Hampshire
 - Blanding's Turtles in New Hampshire
 - A Landowner's Guide to Inventorying and Monitoring Wildlife in New Hampshire.....\$10.00
 - Knowing Your Woods: Wildlife Habitat and Tree Species
 - Wildlife Habitat Improvements: Woodlands and Wildlife
 - Wildlife Habitat Improvements: Wetlands and Wildlife
 - Wildlife Habitat Improvements: Farmlands and Wildlife
 - New Hampshire's Native Trees, Shrubs and Vines with Wildlife Value
 - Care of Wild Apple Trees
 - Bird Feeding Basics
 - More Harm Than Good: Feeding Deer
 - Something's Bruin in NH
 - Protecting and Enhancing Shorelands for Wildlife
 - The Importance of Hydroperiod in Wetlands Assessment – high resolution CD.....\$10.00

Estate Planning, Land Protection and Community Conservation

- Estate Planning for Forest Landowners: What Will Become of Your Timberland?
- Conserving Your Land: Options for NH Landowners.....**\$4.00**
- Conservation Options for Private Landowners
- Natural Resource Inventories: A Guide for NH Communities and Conservation Groups.....**\$18.00**

Biodiversity

- Biodiversity of New England Woodlot Series
- Guide to Invasive Plant Species in NH
- Methods for Disposing Non-Native Invasive Plants
- Natural Communities of New Hampshire.....**\$20.00**

Selling Timber

- Timber Sale Contract
- Selecting a Forester (includes Timber Sale Guidelines; How is Timber Sold; State Laws)
- Listing of Licensed Foresters (**please circle county** B C CH CO G H M R ST S or State)
- Selecting a Professional Logger
- Directory of NH Certified Loggers & Forest Product Truckers
- Timber Tax Questions Frequently Asked About Timber Salvage Cutting Operations
- New Hampshire Timber Tax Law
- Tax Tips for Forest Landowners

Roads and Trails

- Best Management Practices for Erosion Control on Timber Harvesting Operations
- Best Management Practices for Forestry: Protecting New Hampshire's Water Quality.....**\$6.00**
- Best Management Practices During Trail Maintenance and Construction
- A Landowner's Guide to Building Forest Access Roads.....**\$4.00**

Sawmills

- NH Directory of Sawmills and Lumber Wholesalers
- Developing a Custom Portable Sawmill Enterprise.....**\$7.00**
- NH Best Log Scaling Practices Guide

Forest Laws

- Guide to NH Timber Harvesting Laws.....**\$5.00**
- Timber Trespass fact sheet (RSA 227-J:8)
- Basal Area Law fact sheet (RSA 227-J:9)
- Slash Law fact sheet (RSA 227-J:10)
- Deceptive Forestry Business Practices fact sheet (RSA 227-J:15)
- Forest Products Road Manual: A Handbook for Municipal Officials and The Forest Product Industry.....**\$2.00**

Current Use Taxation

- Forest Stewardship and Current Use: A Primer
- Overview of Current Use Assessment RSA 79-A
- Current Use Criteria Booklet

Individual Tree Care and Backyard Conservation

- How to Select an Arborist
- A List of Certified Arborists
- How to Prune Trees
- Pruning Evergreens in the Home Landscape
- Pruning Shade Trees in the Home Landscape
- Pruning Deciduous Shrubs in the Home Landscape
- How to Recognize Hazardous Defects in Trees
- Helping Trees Recover From Stress
- A First Look at Tree Decay
- Planting Trees in Designed & Built Community Landscapes - Checklist for Success
- Steps to Follow When Planting Trees and Shrubs
- Trees and Shrubs in New Hampshire

- Caring for Young Trees from Nurseries to Landscapes
- Fertilizing Trees & Shrubs
- Planting & Mulching Trees and Shrubs
- The Residential Woodlot
- Backyard Woods
- Caring for Trees When Building on Wooded Lots

Insects and Diseases

- Landscape Trees and Their Susceptibility to Invasive Insects
- Asian Longhorned Beetle
- Biology and Control of Ticks in NH
- Butternut Canker
- Dutch Elm Disease
- Emerald Ash Borer
- Fall Webworm
- Eastern Tent Caterpillar
- Forest Tent Caterpillar
- Gypsy Moth
- Hemlock
 - Hemlock Woolly Adelgid
 - Eastern Hemlock Forests: Guidelines to Minimizing Impacts of Hemlock Woolly Adelgid
 - Silvicultural Options for Managing Hemlock Forests Threatened by Hemlock Woolly Adelgid
 - Elongated Hemlock Scale
 - Tip Blight on Eastern Hemlocks
- Pine Shoot Beetle
- Saddled Prominent
- Salt Injury
- Sirex Woodwasp
- Spruce Budworm
- Sudden Oak Death
- White Pine Blister Rust & White Pine Weevil
- White Pine Needle Damage

Informational Brochures

- New Hampshire Firewood: How to Purchase Your Wood Supply
- Landowner Assistance Cost-Share Programs
- NH Coverts Program
- NH Fire Lookout Tower
- New Hampshire Tree Farm Program
- To Build a Bridge
- The Granite State's Forests: Trends in the Resource
- Discover the Forests of New Hampshire

Christmas Trees

- The State Forest Nursery Catalogue (available late fall – early spring)
- Planting and Care of Tree Seedlings
- Pruning and Shearing Christmas Trees
- Establishing the Christmas Tree Plantation
- New England Guide to Chemical Weed & Brush Control in Christmas Trees
- Christmas Tree Pest Manual
- Proper Cut Tree Care

Fire Protection

- How to Protect Your Home (Northeastern Forest Fire Protection Commission)
- Wildland Fire! Measuring the Fire Risk of Your Home
- It's The Law: Fire Permits Required

Storm Damage

- Tree Biology and Ice Storm '98
- Pruning Storm Damaged Trees
- Large Tree Pruning and Care
- Ice Resistant Trees
- Harvesting Ice-Damaged Timber
- Helping Trees Recover from the Ice Storm
- Lucky Break for Wildlife
- Silvicultural Approaches for Managing Ice-Damaged Stands
- Will Winter Storm Injury Affect Hardwood Quality & Maple Sap Production
- How to Determine Percent Live Crown Loss in Hardwoods Before Leaf-Out
- Advice for Operators of Sugarbushes Damaged by the January '98 Ice Storm
- A Guide to Life in Storm Damaged Trees
- Patterns of Storm Injury and Tree Response
- Trees and Ice Storms: The Development of Ice Storm-Resistant Urban Tree Populations
- Tree Survival and Growth Following Ice Storm Injury

Natural Resource Network Professional Publications

Research reports and technical publications of interest to educators, resource professionals, landowners and the public.

- Biodiversity Principles and Applications Conference for Natural Resource Professional in NH
- Does Open Space Pay?
- Eligibility and Enrollment in NH's Current Use Taxation Program
- Exporting Hardwood Pulp Chips: Economic Impacts to New Hampshire
- Forest Measurements for Natural Resource Professionals Workshop, 2001
- Forest Soil Site Selection Considerations for the Beneficial Application of Municipal Sludge and Wood Ash
- "Getting the Regeneration You Want" Workshop Proceedings 2000
- Implementing Uneven-aged Management in New England. Is it Practical? 2006 Workshop Proceedings
- Managing White Pine in a New Millennium Workshop Proceedings 2003.....**\$4.00**
- Manchester: A City of Trees, A Survey of Street Trees
- Lessons from Old Growth Forests, 2004 Proceedings.....**\$4.00**
- North Country Community Master Plans and the Forest Resource
- Northern Red Oak Regeneration: Biology and Silviculture
- Proceedings: Residual Stand Damage Workshop, 2001
- Proceedings for Tree Investment Workshop, 1999
- Using Fire to Control Invasive Plants: What's New, What Works in The Northeast? 2003 Proceedings
- The Wood Energy Challenge: Researching the Potential for New or Expanded Low Grade Wood Resource Markets in NH While Facing the Forest Damage Caused by the January, 1998 Ice Storm
- White Pine Blister Rust Infection Incidence for Selected Areas of New Hampshire
