GUIDELINES FOR SELECTION OF 4-H DAIRY ANIMALS AND 4-H EXHIBITORS TO COMPETE AT EASTERN STATES EXPOSITION

- Exhibitor must be a currently enrolled New Hampshire 4-H Dairy member who is 12 years of age on January 1 of the year exhibiting.
- Exhibitor must enter and show their project animal at North Haverhill, Cheshire, or Cornish Fairs. You must show in fitting and showing, quiz, and appropriate type classes. These classes are the only classes considered when determining ESE selection. Failure to show up for any of the required scheduled events could jeopardize your selection to the ESE 4-H Dairy Show.
- In order to qualify for Eastern States Exposition, exhibitors must show in either the junior, intermediate or advanced fitting or showing class. You may not show in Novice Fitting and Showing. Novice members wishing to qualify for ESE and move up for this event may not show again as a dairy novice exhibitor for the rest of the current 4-H season (or in any future seasons).
- Animals must be owned and registered, upgraded or borrowed in the exhibitor's name prior to MAY 1 of the year exhibited. Registered animals only are allowed to show at the ESE 4-H Show, or upgraded animals if Eastern States allows, according to breed registry rules.
- In cow classes, ownership and registration or a NH 4-H Animal Sharing/Borrowing form must have existed on or before MAY 1st of the year in which the animal was exhibited as a yearling.
- There are 36 slots available, 35 will take their animals to ESE. The 36th individual will be the team leader of the NH State Fitting Team. Filling all 36 slots is at the discretion of the selection committee.
- The selection committee for ESE Qualification will make every effort to select members who show different breeds of dairy cattle so that each breed is represented in the NH ESE delegation. If questions arise, the selection committee may consult with County Extension Field Specialist or 4-H volunteers. However, ultimately the most qualified youth/animals will be chosen to represent the New Hampshire 4-H program at ESE regardless of breed.
- Final selection of all ESE entries will be made by a selection committee after the 4-H Dairy Qualifying Show and participants will be notified by mail. The following considerations will be evaluated as noted:
 - 50% Animal placing at North Haverhill, Cheshire or Cornish Fairs.
 - 40% Fitting and Showing at North Haverhill, Cheshire or Cornish Fairs.
 - 10% Score on general knowledge exam
- Alternate exhibitors will be chosen to attend in the event that a delegate is unable to attend Eastern States.
