Project Entry Check List

Did you Follow the NH 4-H Flix Guidelines?	✓
You and/or your team did the work <i>(wrote and created your video – guidance from adults is fine, but the video needs to be youth-created)</i>	
You used your own, or royalty free footage and sounds – or you purchased the rights to use images and/or sounds <i>(You respected other peoples intellectual property and obeyed copyright law)</i>	
You tested your DVD or flashdrive in a consumer DVD player	
You labeled your DVD with the title of the video and team name	
You edited your video to a length of 3-5 minutes, including credits.	
Did you include everything with your registration?	
Your Completed Registration form and checklist (this form)	
A media release for each person participating in the video	
A copy of your video in DVD or MP3 format
