Street City State Zip

Dog's Name	Show	Show Superintendent Signature

Eastern States Exposition - This event is held the last weekend in September in Springfield, MA. Members who wish to qualify must be age 12 or over. In order to be eligible, the 4-H member must attend a NH 4-H dog show and receive a minimum of a total score of 310 from the Quiz, Fitting & Show and the Obedience Class combined at that show. Also, you must have this form signed by the show superintendent verifying that you and your dog(s) participated in the show. Family dog entrants cannot qualify for ESE. Dogs must be at least six months old at the time of the qualifying show.

You need to keep this ESE 4-H Animal Qualification Form and take it to the fairs with you. You should fill out the form once you've received the show's superintendent signature. Ask the superintendent to sign your form and give you an ESE entry form.

Any show held prior to August 14 of the current year may be used to qualify. Fill out your ESE entry at the Fair and deliver it or overnight mail it, together with a copy of the ESE Animal Qualification Form, to Mary Davis, Program Coordinator 4-H Animal & Agricultural Science, UNH Cooperative Extension, 129 Main St Suite 403 Durham NH 03824 by **August 15. No faxes or copies of the ESE entry will be accepted (ESE rules).**

All ESE entries must be completed and returned (along with a copy of this form) to Mary Davis by August 15. It is your responsibility to request the correct forms, complete them, and submit them by the deadline. If you have any questions about this, ask your 4-H staff person.
