Yes ( ) No ( )

Briefly tell the selection committee about yourself, why you want to go to this camp, and some of the things you hope to learn or do while at camp. Why do you feel you deserve a campership from the New Hampshire Wildlife Federation? (Use the back of this form or enclose another sheet of paper.)

Parent or Guardian: Please share with the selection committee any circumstances that would help them make a decision.

After the selected camp week is over, sponsored winners are asked to submit a brief report to the New Hampshire Wildlife Federation about their experience for a possible newsletter article that might encourage others to go to Barry Conservation Camp.

NOTE: Award winners will be notified by April 1. The New Hampshire 4-H Foundation requests that groups offering camperships send the individual award funds directly to their office and reminds all youngsters to submit their attendance application as soon as possible (March) to help insure that they get registered for the desired week at camp.
