Parking on the UNH Campus for UNHCE Staff Conference
Thursday, May 21, 2015

A limited amount of parking will be available for May 21 for those who do not have a UNH faculty/staff permit. (People with faculty/staff permits should park in faculty/staff lots as usual.)

Conference attendees who do not have a UNH faculty/staff permit should go to Lot C off of Mill Road.

See Campus Map at http://www.unh.edu/transportation/parking.

Go to the parking permit machine at Lot C and hit the Coupon Button, then put in the code (0521) and hit enter; the machine will verify the code. Once the code is verified, hit the Green button and your permit will print out. You need to display it face-up on your vehicle dash.

It is good for 8 AM – 4:30 PM May 21.

All staff who intend to use these reserved spaces should indicate that on their online registration form, or contact deb.russell@unh.edu, 862-2034, so we have an accurate count of how many spaces will be used.

Handicapped Parking: Please let us know if you plan on using a handicapped parking space and you do NOT have a UNH Faculty/Staff permit. There are 8 handicapped parking spaces in C Lot, a few spaces on the MUB Circle and on Quad Way behind the MUB. Please let us know of any concerns.
